

SOUL OF A LEADER with Dr. MARGARET BENEFIEL

ONE-DAY RETREAT, JANUARY 28, 2012
TALLAHASSEE, FLORIDA

In twenty-first century Western culture, leaders are rewarded for their drive, decisiveness, productivity, and long work hours. What would it look like for a leader to cultivate the inner life, to step off the treadmill, to take time apart for personal reflection? What would leadership arising from a core of spiritual groundedness and compassion look like?

This will be an experiential, interactive retreat, in which presentations will be interwoven with periods of reflection, and participants' own leadership experiences will serve as the basis for reflection and discernment.

Identify the times in your life when you have led with soul and the times you haven't

Reawaken your dreams and learn how to make them become reality
